Algorithm 1 test-algorithm

Require: a,b.
Ensure: b.
  Initiallize parameters
  for every epoch **do**:
      Do process a.
      if a=3 **then**
          Do copy a to b.
      else if a=5 **then**
          Remove a.
      end if
  end for
